

NEIL RILEY

VFX Supervisor

Starting his career in commercials and pop promos, Neil learnt his trade working with some of the world's leading Directors and Artists. With a flair for character animation both in the 2D and 3D he went on to supervise several Gorillaz music videos and award-winning commercials. The Producers on the Black Mirror (Zeppotron) series spotted his talent, and he went on to be the VFX Supervisor on 3 of their productions. Neil is diverse, technical, and hugely creative, working across short form, HETV and film he brings a wealth of experience and expertise to the table.
