## Assembly Editor / VFX Editor

Having already established himself as a VFX Editor, Joseph is now re-configuring and developing a career as an Editor. With a couple of credits already under his belt, Joseph is seeking Assembly Editor roles to cultivate his skills and experience in the craft. His meticulous and organised work ethic has made Joseph a popular team player working across film and HETV. With an innate instinct for storytelling and crafting scenes and an ability to analyse footage; we predict a bright future. Hardworking, diligent, and creative – Joseph is an all-round fabulous chap.
