## Sr Post Production Supervisor / Jr Post Producer

The VFX & Post  
Talent Agency

SINCE 2020

Harriet Donington - Agent

E: harriet@vfxposttalent.com / M: +44 (0)7 90 41 89 107

Starting her career in-house Lucy quickly learnt the complexities and intricacies of post production. Working in a facility gave her access to every department and with it an appreciation of the labyrinth of requirements and technical hurdles. Jumping production side on Outlander (Starz) Lucy has risen the ranks and has worked on everything from BBC drama to complex, VFX heavy HETV fantasy. Capable, hard-working, technical and a team player; Lucy is a rising star with a fantastic 'Aussie' sense of humour. Scotland based but happy to travel.
