

# SEAN FARROW

## VFX Supervisor

With over two decades of experience Sean is a phenomenal talent and collaborative problem solver. His expansive technical knowledge and creative flare gets maximum results, across film and TV, no matter what the budget. Starting his career as a 2D Compositor, Sean has an incredible eye and appreciates the distinctions of great VFX artistry. Sean has worked both facility and production side, and understands the inner workings and politics of each arena. Sean is pragmatic, transparent and wholly passionate about his work.
